

Modular Storage

Low Credenzas / Low Storage / Undermount, Standalone Pedestals / Standalone Storage

Overview

Modular furniture is intelligently designed to be functional and provide extra flexibility. With so many styles and options, you can mix and match products to personalize your space. Modular pieces provide the flexibility to fit into small areas, and it is easy to reconfigure your office when it's time for a change. This versatility can provide cost savings in the long run. On its own or as part of a larger solution, BRC's modular furniture is a valuable tool to maximize your storage and evolve with a changing workspace.

BRC storage includes three base options: full front, recessed 1" kick or 2" metal foot, all with a broad offering of finishes. Our products are fashioned with the quality components you have learned to trust including heavy duty drawer slides, Blum door hinges as well as solid construction high-pressure and low-pressure laminate options.

Specifications

Features

- Module components are available in all standard BRC finishes, with an upcharge for any custom finish.
- All exposed edges are manufactured with thermo rigid laser applied 3/32" (2mm) thick edging.
- Units have one inch of leveling
- Closed storage and filing units come standard with locks.
- Locks are standard with interchangeable cores. At time of order provide Lock & Key Order Form.
- Drawer pulls are standard on all closed storage and filing units.
- BRC products meet ANSI/BIFMA e3 Furniture Sustainability Standards, BRC is Level@ 2 Certified
- Grain direction is horizontal on tops and shelves while vertical for gables and drawer fronts.
- Standard casework construction is 3/4" thick low-pressure laminate (LPL).
- All low-pressure laminate panels are 45lbs density and finished both sides.
- Most BRC low-pressure laminate finishes can be matched to high-pressure laminate (HPL).
- Tops are available with three core/surface material options of 3/4" (19.4mm) and 1" (25.8mm) LPL or 1-1/8" (27mm) HPL.
- Drawer fronts come in an option of LPL or HPL material.
- Box drawers have 100 lb. rated, steel ball bearing sliders and are full extension.
- One pencil tray is included in every product with a box drawer that is pedestal sized - 15.5" wide.
- Lateral file drawers have 150lb rated sliders and have 1" over travel.
- File drawers include hanging bars.
- All standard size lateral file drawers accommodate letter and legal-size files front to back or side to side.
- All pedestal file drawers accommodate legal size files side to side only and letter front to back or side to side.
- Free standing lateral file units have a safety interlock system to prevent more than one drawer from opening at a time.
- Storage components with adjustable shelves that are 3/4" thick, standard shelf adjustment is 1-1/4" (32mm) center to center.

- Most parts are manufactured in a way that allows for replacement in the field.
- Storage units are shipped fully assembled.
- Storage products must be secured to an additional support structure (ie. wall or adjacent cabinet).
